

In the Supreme Court of the State of Alaska

Elias Robinson,

Appellant,

v.

Alaska Housing Finance Corporation,

Appellee.

Supreme Court No. **S-17055**

Order

Date of Order: **9/19/2018**

Trial Court Case # **3AN-16-09563CI**

On consideration of Appellant's 9/5/2018 motion for reconsideration of the Clerk's 8/22/2018 Appellee's Brief Notice, and no opposition having been filed,

IT IS ORDERED:

The motion is **DENIED**. The Appellee's Brief remains due 9/24/2018. However, Appellant submitted his opening brief on 7/23/2018, and the Clerk's Office did not issue the Appellee's Brief Notice until 8/22/2018. The Clerk's Office was mistaken in not issuing the Appellee's Brief Notice sooner. Even though an Appellant's brief is subject to a rule compliance check following its initial submission, under Appellate Rule 212(a)(1)(A) the due date of the Appellee's brief runs from the service date of the initial brief and not the date that the brief is accepted for printing.

Entered at the direction of an individual justice.

Clerk of the Appellate Courts

M. Montgomery, Chief Deputy Clerk
